Diagram 500b illustrates a hierarchical structure. At the top is a box labeled **500b**, which contains a stack of four horizontal rectangles. Below this is a box labeled **Link**, which contains a single horizontal rectangle. Below the **Link** box is a box labeled **505**, which contains a single horizontal rectangle. Below the **505** box is a box labeled **Cue**, which contains a single horizontal rectangle. Below the **Cue** box is a box labeled **506**, which contains a single horizontal rectangle. Below the **506** box is a box labeled **rep Link**, which contains a single horizontal rectangle. Below the **rep Link** box is a box labeled **507**, which contains a single horizontal rectangle. Arrows point from the bottom of the **500b** box to the top of the **Link** box, from the bottom of the **Link** box to the top of the **505** box, from the bottom of the **505** box to the top of the **Cue** box, from the bottom of the **Cue** box to the top of the **506** box, and from the bottom of the **506** box to the top of the **rep Link** box. Ellipses between the **505** and **506** boxes indicate that this structure can be repeated.

Diagram 500a illustrates a hierarchical structure. At the top is a box labeled **500a**, which contains a stack of four horizontal rectangles. Below this is a box labeled **501**, which contains a stack of four horizontal rectangles. Below the **501** box is a box labeled **502**, which contains a stack of four horizontal rectangles. Below the **502** box is a box labeled **503**, which contains a stack of four horizontal rectangles. Below the **503** box is a box labeled **504**, which contains a stack of four horizontal rectangles. To the left of the **501** box is a box labeled **512**, which contains a stack of four horizontal rectangles. To the right of the **501** box is a box labeled **5013**, which contains a stack of four horizontal rectangles. To the left of the **502** box is a box labeled **542**, which contains a stack of four horizontal rectangles. To the right of the **502** box is a box labeled **541**, which contains a stack of four horizontal rectangles. Below the **501** box is a box labeled **511**, which contains a stack of four horizontal rectangles. Arrows point from the bottom of the **500a** box to the top of the **501** box, from the bottom of the **501** box to the top of the **502** box, from the bottom of the **502** box to the top of the **503** box, and from the bottom of the **503** box to the top of the **504** box. Ellipses between the **501** and **502** boxes, and between the **502** and **503** boxes, indicate that this structure can be repeated. Arrows also point from the bottom of the **512** box to the top of the **5013** box, and from the bottom of the **542** box to the top of the **541** box.
